Ask Our Nutritionist

Q. It's that time again when I have environmental allergies. Over-the-counter products don't seem to work for me. Can you suggest some natural remedies?

A. There are several herbal and homeopathic remedies that have given our customers relief from sneezing, congestion and itchy eyes. Herb Pharm "Ready for Pollen" is an organic liquid herbal and mushroom product that contains stinging nettle, eyebright, goldenrod, reishi, astragalus and ginger. Quercetin, available in several brand names, reduces mast cell production, which is responsible for histamine production. Boiron's "AllergyCalm" contains meltaway tablets that are formulated for ragweed, pollen, dust mites, pet dander and mold.

Bio-Allers is a convenient homeopathic liquid in various formulations for tree pollen, grass pollen or hayfever. They also make an Allergy Nasal Spray for relief of sinus pressure, congestion and sneezing. Unlike some over-the-counter drugs, these products will not cause drowsiness.
