## Ask Our Nutritionist

**Q:** Can you explain the benefits of taking the supplement glutathione?

**A:** Glutathione is a potent antioxidant that helps protect the body from free radicals, which can contribute to disease. It plays a crucial role in supporting the immune system and reducing oxidative stress through detoxification. Additionally, glutathione is a precursor to NAC (N-Acetyl L-Cysteine), which boosts immune function and is vital for maintaining respiratory health. One of the high-absorption glutathione brands available at our stores is Natural Factors. This product is free from artificial colors, preservatives, dairy, starch, sugar, wheat, gluten, yeast, soy, sesame, corn, eggs, fish, shellfish, salt, tree nuts, and GMOs. It undergoes thorough testing to ensure it is free from contaminants. Visit any one of our 5 Feel Rite Fresh Market locations to speak to one of our knowledgeable staff members for more information and assistance. Stop in or call your nearest Feel Rite Fresh Market to schedule a consultation with our Nutritionist, Linda Griffin.
